REVELL (RVL)

Approximate Delivery: Early Fall, 2009

****462 1/720 USS Intrepid WWII Aircraft Carrier SRP \$26.95**

Commissioned in August 1943, the Intrepid participated in several campaigns in the Pacific Theater of Operations, most notably the Battle of Leyte Gulf. Decommissioned shortly after the end of the war, she was modernized and recommissioned in the early 1950s as an attack carrier (CVA), and then eventually became an antisubmarine carrier (CVS). In her second career she served mainly in the Atlantic, but also participated in the Vietnam War. Her notable achievements include being the first US aircraft carrier to launch aircraft with steam catapults, and being the recovery ship for a Mercury and a Gemini space mission. The newly refurbished Intrepid is now a very popular museum resting in the Hudson River in New York City, attracting hundreds of thousands of visitors annually.

Kit Features: 2 pc hull for full-hull or waterline display, detailed flight deck, 101 guns, engraved portholes, ladders and hatches, 12 Helldiver and Hellcat aircraft, US Navy markings and display base. Molded in color. Overall length 14¼". (Bar code: 031445004629)

Price subject to change without notice.
