This kit is now scheduled for OCTOBER Release.**

****217 1/35 German WWII BR86 Armored Steam Locomotive**

SRP \$169.95

NEW TOOLING! In WWII the Germans modified many freight and passenger locomotives for use in transporting troops and armor across the battlefield. Heavy steel plates were affixed to both sides of the locomotives to protect them from enemy attack, as these were slower moving transports and easy targets. The BR86 was a heavy steamer with a 2-8-2 wheel arrangement and could pull numerous transport vehicles. Kit consists of 634 parts on 18 sprues, plus four vinyl pipes, photo etched part and clear parts. Includes full cab interior detail, drive assembly, chassis and boiler. (Bar code: 9580208002170)

****419 1/35 PMC (Private Military Company) Fire Movement Team in Iraq Figure Set (4 figures) SRP \$17.50**

NEW TOOLING! A private military company (PMC) provides specialized expertise or services of a military nature, often better known as "soldiers for hire". This set consists of 4 soldier figures, in positions of military operation and firing weapons. Also includes duffel bags, goggles and M4-SS & M4CQBR guns. Consists of 123 parts on 6 sprues. (Bar code: 9580208004198)

****420 1/35 PMC (Private Military Company) VIP Protection Team in Iraq Figure Set (4 figures) SRP \$17.50**

NEW TOOLING! Set includes 4 figures, 3 armed in guarding position, and one undercover officer in bulletproof vest. Includes duffel bags and M4-SS, M4CQBR and M-92F Guns. Consists of 109 parts on 6 sprues. (Bar code: 9580208004204)

****1318 1/144 Messerschmitt Me262A-2a German Fighter SRP \$8.95**

NEW TOOLING! Scaled down from the previously-released 1/32 kit, this kit consists of 38 parts on 3 sprues with markings for fighter groups of 1944 & 1945. Includes a detailed tractor. (Bar code: 9580208013183)

****1541 1/35 M1117 Guardian Armored Security Vehicle (ASV)**

SRP \$37.95

NEW TOOLING! The M1117 Guardian is an all-wheel drive armored vehicle used by the United States Army Military Police Corps. Its armament consists of a Mk 19 grenade launcher and M2 Browning Machine Gun and a M249 Squad Automatic Weapon mounted outside the gunner's hatch. The vehicle has become very popular with U.S. Military Police Units and Convoy Security Units in Iraq. It is a more heavily protected and heavily armed alternative to the armored HMMWV which was not originally designed to be a protected fighting vehicle. Kit consists of 369 parts on 7 sprues plus metal chains, 35 photo etched parts and markings for the US Army in Iraq. (Bar code: 9580208015415)

PLASTIC MODEL KITS MADE IN CHINA. *ALL NEW TOOLING!*

APPROXIMATE ARRIVAL: OCTOBER 2009

****2279 1/32 Eurofighter EF-2000B Typhoon Combat Aircraft**

NEW VARIANT!

SRP \$189.95

This is the 2-seat trainer variant of the previously-released single seat A variant earlier this year. Kit consists of 508 parts on 20 sprues plus photo etched safety harnesses, rubber tires, retractable refueling probe, positionable flaps, external fuel tanks, medium range and ASRAAM missiles, EJ200 Eurofan engines, ECR90 radar system and an incredibly detailed cockpit. Markings are for German and Spanish Air Forces. (Bar code: 9580208022796)

****2838 1/48 F-100C Super Sabre Fighter**

SRP \$59.95

NEW TOOLING! The F100 served in the USAF from 1954 until 1971. It was originally designed as a higher performance follow-up to the F-86 Sabre. Adapted as a fighter bomber, the F-100 would be supplanted by the F-105 Thunderchief for strike missions over North Vietnam. It also flew extensively over South Vietnam as the Air Force's primary close air support fighter. The "C" variant featured new J57-P21 engines enabling faster speeds for more efficient bombing runs. Kit consists of 164 parts on 8 sprues plus markings for 322nd FG at Foster AFB in Texas in 1956 and also for 188th TFS of New Mexico, based at Tuy Hoa in Vietnam, 1970. (Bar code: 9580208028385)

****5316 1/350 German Pocket Admiral Graf Spee Battleship**

SRP \$99.95

NEW TOOLING! The Graf Spee was one of the most famous German naval warships of World War II. Her size was limited to that of a cruiser, but she was as heavily armed as a small battleship. She was sent to the Atlantic Ocean as a commerce raider in 1939, where she sank nine Allied merchant ships. Numerous British hunting groups were assigned to find her, finally tracking her down in December 1939. The Battle of the River Plate ensued, during which the Graf Spee was damaged. She docked for repairs in the neutral port of Montevideo, but was forced by international law to leave within 72 hours. The captain scuttled his ship rather than risk the lives of his crew. Kit consists of 402 parts on 14 sprues, plus waterline plate, one Ar196 aircraft, photo etched masts and handrails, and display stand with name plate. Markings as she appeared in 1939. Completed kit measures over 20" long! (Bar code: 9580208053165)

****5763 1/700 HMS Repulse WWII British Battle Cruiser, 1941**

NEW TOOLING!

SRP \$39.95

This is a scaled-down variant of the recently-released 1/350 kit. Consists of 317 parts on 10 sprues, plus waterline plate, display stand, name plate and two Walrus Mk 1 aircraft. Completed kit measures over 13" long. (Bar code: 9580208057637)
